

HOSPITAL AND POLICE FORCE ARE UNDER FIRE

Complaint in Council of "Rogue" Running Things at Cottage State.

INVESTIGATION ORDERED

Councilman Cypher, Who Charges City is Victim of Discrimination, Also Has Something to Say About Police Ties to Disorderly House.

The Cottage State hospital came under the fire of city council at a meeting Monday night along with the police department. Councilman Cypher complained of objection to the hospital management to receiving cases from city hall. He mentioned two. We had to fight to get them in, he said. He demanded an investigation and was authorized to take the matter up personally with the superintendent and falling there to lay the situation before the state.

One case referred to by Mr. Cypher was a man named Woodie who was said to be suffering from lack of nourishment and was to be sent to the county home. It was necessary to care for the patient here from Saturday until Monday and appeal was made to the hospital through Dr. J. L. Jank and refused Mr. Cypher said. The other case was that of a negro woman. In this case Mr. Cypher said a patrolman D. H. Turner told the hospital authorities that if the ambulance was not sent for the patient she would be taken to the hospital in some other way and left on the porch if necessary. The ambulance was sent and the patient was taken to the hospital.

The mayor directed some caustic remarks at the hospital asserting that a small clique of physicians controlled affairs there and that it is a question whether the institution is being operated for the benefit of the community at large or the clique. If the Cottage State hospital has been good, he said, it has been in spite of the management. It is time to find out whether it is being conducted for the benefit of the public or somebody else.

Referring to the case of a woman who gave birth to a babe at the Baltimore and Ohio station, Councilman H. L. Shaw who is a member of the city council, said that he had to fight for a minute to get the woman admitted to the hospital.

Shaw referred to another case of a baby born to a woman in a room at the Baltimore and Ohio station. He said that he had to fight for a minute to get the woman admitted to the hospital.

Councilman Cypher's remarks about the police force related to a raid Saturday night on the city hall. He said that the police force was supposed to be of the disorderly kind. In his house, he said, a woman was to be found he said. In the other one was knitting and crocheting. There's something wrong with the police force, he said, in that they are not doing their duty. There's evidently something wrong with the police force, he said, in that they are not doing their duty.

COURT HOLDS VALID THOMPSON CHARGES

Former Mount Pleasant Banker Probable Will Be Called to Trial for Misapplication of Bank Funds.

A federal court decision quashing indictment returned at the charges against a former Mount Pleasant banker, who was charged with misapplication of bank funds, was set aside by the Supreme court. The indictment upon which the former banker was charged by the federal grand jury sitting at Erie, Pa., was quashed by Judge Charles F. O'Brien. Mr. Thompson's attorney had filed a motion in which it was alleged that the same charges had previously been presented to a grand jury in Pittsburgh, and had to be ignored. Action against Mr. Thompson was instituted in the fall of 1915 when he was charged with misapplication of funds of the bank making false entries in the books and with making false statements in connection with reports to the comptroller of the currency.

Quashing the major indictments against Mr. Thompson very probably means that he again will be called for trial.

Indictments against Mr. Thompson will be pushed at the May term of the federal district court in Pittsburgh. It was announced by District Attorney Humes today.

MOUNTAIN WATER SUPPLY COMPANY BEGINS ACTION TO SAVE MAMMOTH WATER SYSTEM

A movement long contemplated and now that will be of far reaching importance as affecting the mining industry and pipe water systems of the state, perhaps of the nation, was launched in Mount Pleasant today when the Mountain Water Supply company, the Dunbar Water Supply, the general and the Pennsylvania Railroad company filed in court a suit in equity to restrain the Mammoth Water supply company from running a water pipe from its mine into the Indian creek, which the Mountain Water Supply company, a subsidiary of the Pennsylvania Railroad, has a large storage reservoir from which a main line was of Connellsville and Greensburg, Pittsburgh, and with branches extending to various centers of the Pennsylvania railroad system in Southern Pennsylvania, and in which there has been invested many millions.

On the outcome of the suit will depend whether a coal or water right to the stream the water of which is used to drive the water wheels of the Mammoth Water supply company, which the presence of the mine water would be detrimental to the water companies, will be the effort will be to compel other mining companies in the state to stop polluting of water. If the companies lose some other means must be found to save the Mammoth water supply system which already is said to be seriously menaced.

The Mammoth Water supply company is the largest operator in the Indian creek valley. There are a number of others.

STEEL TRUST DECISION A SPUR TO BUSINESS

Have Dissolved Corporation Would Have Been (Infinite) Judge Says.

New York, March 2. A decree by the United States supreme court dissolving the United States Steel corporation would have been a calamity to the steel industry, according to the corporation's board of directors, as stated in a statement issued here last night.

It would seriously have interfered with the progress and prosperity of the industry, the statement said. The decision would have added to the general feeling of confidence in the value of property and in the opportunities of business enterprise.

There has never been any intention on our part to violate the Sherman law. It has been an endeavor to be of real benefit to our employees and customers, our competitors and especially to the general public and to be of injury to no one. That we have acted in some respects is quite possible.

LAST STEP TAKEN IN LITIGATION IN THOMPSON ESTATE

Sale to Piedmont Coal Company Confirmed By the U. S. Court.

\$25,000,000 IS INVOLVED

After five years of almost continuous and unbroken litigation, the final step in the litigation of the estate of J. V. Thompson, the federal court was recorded yesterday when Judge W. H. S. Thompson of the United States District Court at Pittsburgh confirmed the sale of the Thompson estate to the Piedmont Coal company. The order confirming the sale provides for the delivery of the deeds to the purchaser at the expiration of 30 days from the date of the order. It will be made to the Virginia attachment creditor under the order of the court. The order also provides for the delivery of the deeds to the purchaser at the expiration of 30 days from the date of the order. It will be made to the Virginia attachment creditor under the order of the court.

The sale was confirmed by the federal court at Pittsburgh. The order confirming the sale provides for the delivery of the deeds to the purchaser at the expiration of 30 days from the date of the order. It will be made to the Virginia attachment creditor under the order of the court.

NORMALVILLE CASE CALLED IN UNIONTOWN

Fifteen Young Men of Village Charged With Mischief.

Mischief in the use of dynamite at a remodeling charged in a case from Normalville called for trial in criminal court in Uniontown today in which W. J. Paes of the community the defendant was charged with dynamite. It was testified that Paes had been a leader in a scheme in Springfield township and that when he was married it was decided to give him a send-off by putting off dynamite. It was testified that Paes had been a leader in a scheme in Springfield township and that when he was married it was decided to give him a send-off by putting off dynamite. It was testified that Paes had been a leader in a scheme in Springfield township and that when he was married it was decided to give him a send-off by putting off dynamite.

FIRST CRICKS OF SEASON

What are claimed to be the first cricks of the season in the locality were played this morning at the home of Mrs. A. J. Koozer.

There were 15 fine ones in the brood.

REVISION OF FIRE LIMITS PROVIDED IN NEW ORDINANCE

Measure Introduced in Council Monday Night; High School Included.

Revisions of the fire limits is provided in a bill introduced in city council Monday night by Superintendent of Public Safety. The measure would require that before any building, new or old, is erected, a permit must be secured from the superintendent of public safety. No building, of any character constructed of wood or sheet iron would be permitted.

Persons violating the provisions of the ordinance would be required to remove the said structure and failing to do so, the city would be authorized to do so and charge the cost to the owner. The measure would also require that before any building, new or old, is erected, a permit must be secured from the superintendent of public safety. No building, of any character constructed of wood or sheet iron would be permitted.

LINEMEN'S HARD TASK

Three Encounter Unexpected Difficulties Aiding Woman in Distress.

Three West Penn linemen who Saturday evening recovered a bunch of keys a woman had dropped through the grating in front of the Wright Metzler store in Crawford avenue tackled a job that required their combined strength and then some. Together they lifted away the grating and held it up one of the lines leaped down and served the depth of the water there. He managed however to get the keys and handed them to a woman who thanked him and walked away.

Then the real trouble began. Instead of stopping at its usual place the line stopped down through the opening. It was a hard job later before Mr. King Harry Butler and Orion Fisher the other linemen with the assistance of the spectators lifted the heavy covering and in a few minutes the woman was able to get up in place. Linemen stand by to keep back the crowd.

PLANT OF PARAGON MOTOR COMPANY TO BE AT COALBROOK

Deal For Purchase of 25 Acres from Trick Company Closed Monday.

The Paragon Motor company recently ordered a 25-acre site at Coalbrook for the purchase of a plant. The deal for the purchase of the site from the Trick company was closed Monday.

The site is a fine level site of land about one and one-half miles from the city of Connellsville. The site is a fine level site of land about one and one-half miles from the city of Connellsville.

ORDER IN BURKEY ESTATE

Man Murdered in Connellsville Leaves Behind a Large Estate.

NEWSY NOTES TELL WHAT'S HAPPENING IN THE MILL TOWN

**Mrs. William Smith, 43 Years
Old, Dies at Home at
Valley Works.**

TWO CHILDREN IN FAMILY CALLED

**Pneumonia Cause of Deaths of Daugh-
ter and son of Mr. and Mrs. Rodney
Brace of Homestead, Former Resi-
dents of Scottsdale; Influenza Again.**

Special to The Courier.
SCOTTSDALE, March 2.—Mrs. Wil-
liam Smith, 43 years old, died at Val-
ley works on Saturday and was buried
at St. Joseph's cemetery this morning
following services at St. Joseph's
church. Mrs. Smith is survived by her
husband and eight children.

Two of the family die.
The two-year-old son of Mr. and
Mrs. Rodney Brace of Homestead died
at their home Saturday of pneumonia.
The body was brought here yesterday
morning and interred in the Scottsdale
cemetery. Two weeks ago, on Satur-
day, Emily Anna Brace, the six-year-
old daughter of Mr. and Mrs. Brace,
died of pneumonia. With the parents
here survive a son and daughter. Mr.
Brace was formerly manual training
teacher in the local high school.

Paula Child Dies.
The infant daughter of Dr. and Mrs.
P. Paula, who died at the family
residence in Everson, was buried in
St. Joseph's cemetery.

Some Influenza Still.
Twenty-three cases of influenza
were reported to the board of health
in the past nine days, showing that
though the disease has not entirely
led out it is not increasing.

Miss Dick Hostess.
Miss Anna Dick entertained the
no club at her Levee avenue home
a Saturday afternoon. Following the
business session, refreshments were
served.

Daughter Is Born.
Born, Saturday, to Mr. and Mrs.
Samuel O. Steiner, a daughter, at their
home, Chestnut street home.

Party for Daughter.
Mrs. Josiah Reynolds gave a sur-
prise birthday party for her daughter,
Iabel Grace, at her home, Scottsdale
avenue, on the occasion of the 14th anni-
versary of Miss Reynolds. On her re-
turn from the home of Mr. and Mrs.
J. A. Colborn, where she was enter-
tained at dinner, Miss Reynolds found
number of her school friends and
neighbors gathered to help her cele-
brate. Games and music were the
musings of the evening. Refresh-
ments were served. Many nice pre-
sents were received. Mrs. Reynolds
was assisted in entertaining by her
daughter, Mrs. George H. Hodges of
Montown.

Great Spring Suit Sale.
Now is the time to buy and save \$10
to \$20. We will have all the spring
business we can take care of later
so we are offering customers who
are waiting to buy their Easter suits
an opportunity to save. Every
ounce and more in this community
ought to see these wonderful spring
suits and coats. They are all silk
and are displayed in the sec-
ond's favorite colors—navy as well as
the shades. There is a complete
range of sizes for misses, women and
girls—at \$35.50. Bendiner's Ladies'
ore, as you get off the car.—Adv.

Personal Mention.
Ralph Cuthbertson of Pittsburg
ent Sunday with William Warclaw.
Miss Jeanne Guest spent Sunday at
cannette with friends.
Mrs. A. B. Preits was called to Le-
onia, Ohio, this morning by the se-
rious illness of her mother, Mrs. Har-
nifer.

Mrs. Robert Beatty of Youngwood is
visiting the week with her grand-
mother, Mr. and Mrs. James Wardlaw of
Jefferson avenue.

THAT BAD BACK

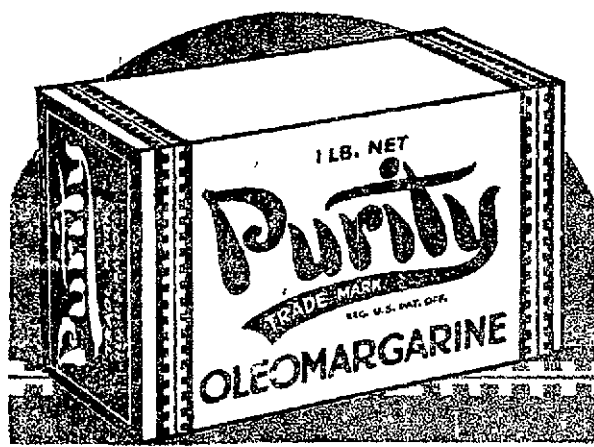

Do you have a dull, steady ache in
the small of the back—sharp, stabbing
pains when stooping or lifting—dis-
tressing urinary disorders? For bad
back and weakened kidneys Connells-
ville residents recommend Doan's Kid-
ney Pills. Read this Connellsville
statement:

Mrs. Chas. Wilson, 506 E. Crawford
venue, says: "In the past, I have had
great deal of trouble with my kid-
ney. I was unable to control the ac-
tion of my kidneys and was troubled
with headaches and spells of diz-
ziness. Spots appeared before my eyes.
My back got lame and sore and
caused me a great deal of suffering.
An attack of this kind was always
promptly relieved by using Doan's
Kidney Pills. One or two boxes which
I would get at Little's Drug Store
would remove the trouble and improve
the condition of my kidneys very rap-
idly. I am glad to endorse Doan's
Kidney Pills—the same that
Mrs. Wilson had. Foster-Milburn Co.,
Buffalo, N. Y.—Adv.

Best Results for Men.
Only a person who has experienced
that awful "all night" cough that
sometimes follows influenza can ap-
preciate what a good night's sleep can
do. Mrs. Anna Davidson, 2800 Myrtle
Ave., Long Beach, Cal., writes: "The
result of using Foley's Honey and Tar
was a useful one for me." Foley's
Honey and Tar checks harsh, rasping
cough; eases wheezing breath; stops
sneezing in throat; cures raw, irri-
tated surfaces with a soothing, heal-
ing coating. Sold everywhere.—Adv.

A Timely Suggestion.
The next time you have a cough or
cold try Chamberlain's Cough Remedy.
It is pleasant to take and you are sure
to be pleased with the relief which it
affords. This remedy has a wide repu-
tation for its cures of coughs and
colds.—Adv.

The Pure Spread for daily Bread

SEED CORN ADVICE

Careful Germination Tests Should Be
Made, Farm Agent Cautions.

Farm Agent P. H. Sprengle of Pay-
ette county today issued the follow-
ing advice to farmers relative to seed
corn for spring planting:

"Unless special precaution is taken,
the same condition in regard to seed
corn, which the majority of farmers
experienced two years ago, might oc-
cur again this coming season. To get
seed corn that grow in the spring of
1917 was quite a task.

"Last fall was extremely wet and it
was very difficult to get corn dried
properly. Consequently, a large per-
centage of moisture remained in the
kernel, and when freezing weather
came on, the germ in the kernel froze.
As a result, most of the corn is not
germinating, unless it was stored and
dried by artificial heat.

"In order to be absolutely certain
that corn will grow, the only way is
to test it. Take at least five kernels
from each ear and plant under favor-
able conditions for growth. Nothing
germinating less than 85 per cent
should be planted. The Farm Bureau
will be glad to help anyone locate seed
corn, who is in need of it."

Many Facial Defects Are Caused By Eye Strain

Haven't you often noticed people
who squint, and whose foreheads be-
come wrinkled permanently there-
from? You doubtless have. But did
you know that most of that comes
from some defect of vision? Squinting
is often an attempt to see normally
when the eyes are in an abnormal
condition. A person who squints
would be wise to have us examine his
eyes.

FREE

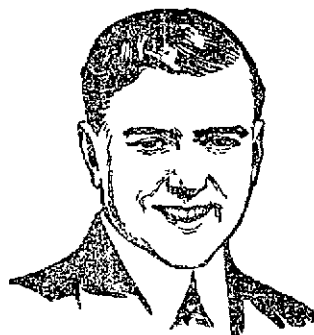

THIS WEEK ONLY

At the Stores Named Below
A 10-Day Tube of Pepsodent

Make This Free Test

For the Sake of Whiter, Safer Teeth

All Statements Approved by High Dental Authorities

It Is Film
that causes men's teeth to discolor,
and that holds tobacco stains.

It Is Film
that clouds women's teeth, spoils
their glistening beauty and
is the basis of tartar.

It Is Film
which is responsible for decay in
children's teeth. It is the source
of most tooth troubles.

The dealers named below have been supplied with 10-Day Tubes of Pepsodent. This week a tube will be handed free to anyone who asks. Simply present the coupon. The purpose is to urge a test of this film-removing tooth paste, which leading dentists nowadays advise. Prove the results for your own sake and your children's sake. Learn what they mean to your teeth.

See How Your Teeth Look When the Film is Gone

There is on your teeth a slimy film. You can feel it with your tongue. It clings to the teeth, gets between the teeth and stays.

The tooth brush doesn't end it. The ordinary dentifrice does not dissolve it. So it clings and, night and day, it may do ceaseless damage.

The results are seen everywhere in cleaner, whiter teeth. Some of your own friends have them.

For home use, this method is embodied in a dentifrice called Pepsodent. And this week you can test it at our cost.

The Tooth Wrecker

That film is the great tooth wrecker. Most tooth troubles are now traced to it.

The film is what discolors—not the teeth. It is the basis of tartar. It holds food substance which ferments and forms acid. It holds the acid in contact with the teeth to cause decay.

Millions of germs breed in it. They, with tartar, are the chief cause of pyorrhea. Also of many other troubles, local and internal.

That is why well-brushed teeth so often dis-
color and decay, why tartar forms and pyorrhea
starts. You leave much of that film.

Based on Pepsin

Pepsodent is based on pepsin, the digestant of albumin. The film is albuminous matter. The object of Pepsodent is to dissolve it, then to constantly combat it.

Pepsin long seemed impossible. It must be activated, and the usual method is an acid harmful to the teeth. But dental science has discovered a harmless activating method. And that method, used in Pepsodent, enables all to daily use this efficient film combatant.

Watch the Results

We urge you to present the coupon. Get the 10-Day Tube and use like any tooth paste. Note how clean the teeth feel after using. Mark the absence of the slimy film. See how the teeth whiten—how they glisten—as the fixed film disappears.

Compare the results with your old methods. Then let your own teeth decide the method best for you and yours.

This is of lifetime importance. Don't neglect it. Cut out this coupon so you won't forget.

Pepsodent

REGARD FOR PUBLIC CONVENIENCE

That conservatism is gaining ascendancy over radicalism in the ranks of the railway construction executives is being shown by the disposition to accept the situation arising from the refusal of President Wilson to veto the Esch-Cummings railroad reorganization bill.

The chief objection against this measure, as originally reported in Congress, was removal of the anti-strike section. Evidently not clearly understanding the substitute section, which provided for the creation of a bipartisan board of adjustment to deal with wage questions, a demand was made upon President Wilson to veto the bill and appoint a commission to gear and decide the wage demands of employees.

In response to this demand President Wilson has very clearly set forth the fact that the bill to which he has given his official sanction contains a section which authorizes the creation of a wage adjustment board almost identical with that demanded by the Brotherhoods. This board, to be known as the "railroad labor board," is to be composed of nine persons, all of whom are to be appointed by the President. Three members constituting the labor group, representing the employees and subordinate officials of the carriers, are to be selected from not less than six nominations to be made by the employees. The management group, also of three members, is to be selected in the same manner from not less than six nominations to be made by the carriers. The members of public group of three are to be named by the President. All appointments are to be by and with the advice and consent of the Senate.

That the convenience and welfare of the public is to be given first consideration is a requirement of the new law provided in a section which reads:

"It shall be the duty of all carriers and their officers, employees and agents to exact every reasonable effort and adopt every available means to avoid any interruption to the operation of any carrier, and to prevent any dispute between the carrier and the employees or subordinate officials thereof. All such disputes shall be considered, and, if possible, decided in conference between representatives authorized and designated on the part of the carrier, or the employees or subordinate officials thereof, directly interested in the dispute. If any dispute is not decided in such conference it shall be referred to the parties thereto to be heard, which is authorized to hear and decide such disputes."

A consideration of this provision of the bill in relation to the answer for its veto is now occupying the attention of the Brotherhood executives. From statements made by the leaders there are indications that a better understanding is being arrived at and that more conservative leaders are willing to accept the radical element and both are approaching the decision that the best interests of the railway employees and the public will best be served by accepting the situation and allowing the public to be disposed to commend the action of the Brotherhood executives as wise and timely and as proof of their desire to assist in establishing better relations between employees and employers while also giving due regard for the rights, convenience and welfare of the public at large.

An agile skater at Lake Placid, N. Y., performed the feat of vaulting over a line of skaters. An announcement of skill this athlete's little attention in Conneltsville when compared with the pleasure which some people view the vaulting of nine filed barrels over the heads of all the skaters of the Department of Justice at present, President Wilson is being in the remotest corners of all Western Pennsylvania.

With "bootleg" inspiration being dispensed at \$15 to \$25 per quart it is but natural and fair that cocktails keep pace with other costs of having a high old time.

Yesterday was another "Thompson day" in the courts.

Behring, Secretary Lake would have rendered the country a valuable service had he been a trifle more specific in indicating who of the "lower men of large capacity would do better" in running the government. He leaves us all in doubt as to whether the "larger capacity" men are among those who have resigned or those who resolutely hold onto their jobs.

At Cleveland Convention.
Prof. R. K. Smith, superintendent of the Dunbar township schools, has returned home from Cleveland, where he attended a meeting of the superintendents of the schools of the United States, held last week in that city. Eight thousand principals from all sections of the United States were in

The Grim Reaper

MRS. MARY ELIZABETH BROWN.
Mrs. Mary Elizabeth Brown, widow of Charles Brown, died Monday afternoon at 12:35 o'clock at her home at Flatwoods from pneumonia. She was in her 72nd year. Mrs. Brown was born near Perryopolis, a daughter of Samuel and Mary A. Strickler, on May 8, 1848. She was married April 26, 1869, to Charles Brown, who died four years ago. They resided all their married life on a farm near Flatwoods. To the union were born eight children. Elmer, Franklin S., Anna M. and Araminta, are dead. The surviving ones are J. E. Brown, Conneltsville; W. Frederic and Clyde M. Brown, at home; and Mrs. Tena Blair, near Perryopolis. She leaves one brother, Samuel D. Strickler of Batesville, Ore. Mrs. Brown was held in high esteem by a wide circle of friends. She was a member of the Flatwoods Baptist church and had been a devoted Christian since childhood.

Funeral services will be conducted at the Flatwoods church Wednesday at 2 o'clock, with Rev. J. W. Hays, officiating. Interment will be in Flatwoods cemetery.

MRS. MARY N. DOYLE.
Mrs. Mary Neal Doyle, 19 years old, died Sunday at her home in Davy, W. Va. Funeral services will be held tomorrow at the home of the deceased's aunt, Mrs. S. S. Momeyer at Staithon, Pa.

MARY JANE HARVEY.
Mary Jane Harvey, 66 years old, died Monday night at her home at Lemont. Funeral services will be held at the house tomorrow afternoon.

GARBAGE MAN COMPLAINS

Entire Competition Putting Him Out of Business, He Tells Council.
On complaint of Charles Works, the garbage man, that competition of persons who have not paid license is putting him out of business, council last night ordered that notice be served on all who are in the business without license to quit or pay the \$150 required by ordinance. If the notices are not obeyed the offenders are to be brought before the mayor where there will be an "understanding."

Works was commended for the efficiency of the garbage department since he took hold. There was not a complaint all last summer, it was said. He has paid a license fee and it was held to be unfair to him to permit others to engage without having met conditions required by ordinance. Works named Harry Dull, John Swift, two negroes whose names he could not give and a "hunkiey living near the DeMuth farm" as being in the business without having paid license.

CAR ON FIRE

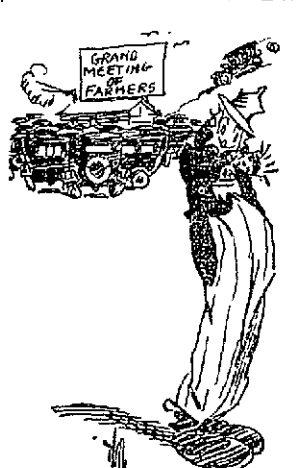

Baltimore & Ohio Train Also Delayed by Breaking of Air Line.
Fire on the roof of the garbage car of Baltimore & Ohio Train No. 41, extinguished when the train pulled into the station here last evening at 5:45 o'clock. The baggage man smelled smoke when the train was passing Green Junction but could not discover the fire.

Another annoying accident occurred when No. 18, arriving here shortly after 7 o'clock, when a pipe line carrying water from the engine broke, causing the airbrakes to set immediately, almost throwing passengers out of their seats. Repairs were made after a long delay and the train proceeded.

The Only Non-Set Automatic Stop is on the Columbia Grafonola

THE greatest improvement ever made in the phonograph is the Columbia Non-Set Automatic Stop, which is now an integral part of the new Columbia Grafonola.

With this improved instrument you simply place the tone arm needle on the record, and the stopping takes care of itself.

There is nothing more for you to do—no stop to set at a given point, as in other phonographs. Come in and see our latest models.

WORKS HARD TO AVERT FLU EPIDEMIC

Government and City Health Officials Warn People to Keep Clean.

Stay Away from People with Coughs and Colds.

"Avoid crowds if you want to avoid influenza," says Association for Improving the Conditions of New York.

Keep your hands clean, drink plenty of fresh water, sleep with windows open; eat three uniform meals a day including a good breakfast.

People who have catarrh or frequent colds invite influenza, declares a prominent Kentucky druggist.

The membrane of the throat and nose is raw, sore and tender, and makes a lovely abiding place for germs to thrive and multiply.

He advises an inexpensive home-made remedy that will bring relief in less than a day and will stop all discharge and soothe and heal the inflamed membrane in a few days.

Thousands are making this beneficial remedy at home and anyone who has catarrh or a cold can do the same.

Four three-quarters of an ounce of Mentholized Arcline in a pint bottle, then fill the bottle with water that has been boiled.

Gargle the throat as directed and snuff or spray the liquid into the nostrils twice daily. It's a simple way to get rid of cold and catarrh and keeps the nasal passage and throat clean and healthy.

Nearly all druggists dispense Mentholized Arcline in vials containing exactly three-quarters of an ounce, which is all you need to make a pint of this healthful medicine.

is the dentrifice that contains the properties recommended as ideal by United States Army dental surgeons

WEST PENN REFUSES TO PAY FOR PAVING MT. PLEASANT STREET

Council Orders Solicitor to Ascertain Means of Collecting Amount.

SOLONS NOT IN GOOD HUMOR

They Adopt Another Resolution Which Would Prohibit Trolley Company Throwing Snow from Tracks Onto Sidewalks; Other Business Meeting.

Special to The Courier.

MOUNT, PLEASANT, March 2.—At the monthly meeting of council last evening and a report from the West Penn Railways company, refusing to pay its share of the paving on Cherry avenue and Center avenue, was read. A motion was adopted to have the solicitor look up the letter written by the West Penn in which it agreed to pay and to start proceedings to collect the money.

Ralph Nelson who has been truck driver on the fire truck for five years resigned. His resignation was accepted. Lloyd H. Shaw was elected to the position.

The burgess' report showed one arrest during the past month, a fine of \$10 and licenses and permits totaling \$16, making a total of \$26.

A motion was adopted prohibiting the West Penn from using the sweeper and throwing snow over the sidewalk.

The millage was fixed at 12 mills. An appropriation of \$100 was set aside for the board of health.

It was decided to pay the day laborers on the street 40 cents an hour. The street committee was authorized to have the streets washed as soon as the ice is off of them.

The street, police and fire committees were asked to make lists of the equipment for what they are responsible.

Girl Coaster Injured. Miss Elsie Anderson, youngest daughter of Mr. and Mrs. Ros. Anderson, suffered a compound fracture of her right leg when her sled struck a pole.

Taking Banknote Course. G. Wylie Overly, employed by the Citizens National bank of Washington, Pa., has been sent by this institution to New York to take a course in foreign banking with the Guaranty Title & Trust company. Mr. Overly is the son of Mrs. Missouli Overly of North Diamond street and was formerly employed in the Peoples bank here.

Why Colds Are Dangerous. You are often told to "beware of a cold," but why? We will tell you: Every cold weakens the lungs, lowers the vitality and paves the way for the more serious diseases. People who contract pneumonia first take cold. The longer a cold hangs on, the greater the danger, especially from the germ diseases, as a cold prepares the system for the reception and development of the germs of consumption, diphtheria, scarlet fever and whooping cough. The quicker you get rid of your cold, the less the danger of contracting one of these diseases. Chamberlain's Cough Remedy has a great reputation as a cure for colds and can be depended upon. It is pleasant to take.—Adv.

A Friend Recommended Them. A person often does more good than he realizes when he tells a suffering friend how to get well. J. N. Tobill, clerk, Little Hotel, Evansville, Ind., writes: "For weeks I suffered constantly with pains in the muscles of my thigh. I was treated by a doctor for rheumatism but found no relief. Upon recommendation of a friend, I tried Foley Kidney Pills and began to get relief almost immediately. Good for backache, rheumatic pains, stiff joints. Sold everywhere.—Adv."

LAST LEAGUE GAME

W. P. I. A. League Schedule Closes in Connellsville With Norwin Here. Friday evening the Connellsville high school basketball team will play the last game in the W. P. I. A. league when Norwin high school, rated as one of the fastest school teams in Westmoreland county and at present tied with Bradport for first place in the local section of the league, will be here.

The game gives promise of being one of the hardest fought of the season. Norwin will come full of determination to win and Connellsville needs the game to make a good showing in the league standing. Saturday Connellsville goes to West Newton.

Use Cuticura To Keep Children's Skins Healthy

If mothers would only use Cuticura Soap and Ointment for every-day toilet and nursery purposes, how much suffering might be avoided by preventing the skin and scalp troubles becoming serious. Cuticura Soap is the excellent for little ones. It is a delicately medicated and exquisitely perfumed.

Cuticura Talcum Powder:—Do not fail to test the famous fragrance of this exquisitely scented, face, baby, dusting and skin perfuming powder. It imparts to the person a charming, agreeable and peculiarly fresh, delicate, and delicate perfume.

Sample each free by mail. Address:—Cuticura, Dept. 161, Malden, Mass. Sold everywhere.

CONNELLSVILLE OIL & DRILLING CO.

Capital Stock \$75,000

\$10.00 Per Share Par Value \$10.00 Per Share
200 Acres Non Assessable 200 Acres

A local Company offering an opportunity which promises to be another enormous dividend payer. Everything looks favorable for the discovery of another large Gas field. In which case our low capitalization will mean, unlimited returns to the share-holders of this company.

The officers of the Company are planning to let a contract for the FIRST TWO WELLS this week, drilling to start as soon thereafter as possible.

Don't let this opportunity go by. A limited number of shares at \$10.00 per share left. Wire, write or phone us.

301 Title & Trust Bldg., Connellsville, Pa.

Connellsville Oil & Drilling Co.

THE TYRONE GAS & OIL CO.

Of interest to the investing public of Connellsville, Dawson, Vanderbilt and Dickerson Run.

We are now ready to dispose of stock in a Gas or Oil well to be drilled near Dawson. We have two leases, containing about 20 acres, close to the old Cochran well near Dawson. (This well was only drilled to about 1,800 feet—we propose to drill to the Speechley sand.)

The shareholders will receive 7-8 of all Gas or Oil produced from this well. If the well should come in a duster all unused money will be returned to the shareholders pro rata per share.

Shares Are \$50.00 for Full Share or \$25.00 for 1/2 Share. Capital \$30,000.

FOR FURTHER INFORMATION WRITE

J. F. Cortel, Sec.-Treas., Box 476, City, or see Carl C. Beighley at Beighley's Pharmacy, West Side, City. Both Phones.

United McKeesport Oil & Gas Co.

At Par

No Reservations. Shares Will Be Issued in Order Subscribed.

\$100---Shares in 4 Wells

3 1/2 Acres in Leases—Room For 10 Wells.

2—WELLS NOW DRILLING—2

No. 2 location on Walnut street—Drilling. This well is only about two squares from Dutcher No 2, which showed the largest flow of gas in the field from the upper sand.

No. 4 location Snake Hollow—Drilling. This is only a few hundred feet above the Foster-Stewart which came in big, while Manfield-Steel which showed 3,000,000 feet in upper sand and looks very much like it will be a gusher in the Speechley sand, lies just between. This will be the first well on a tract of over 100 acres.

No. 1 and No. 3 locations are in the heart of the field and will be drilled later.

Big wells coming in almost daily.
